

UNIVERSITY OF
CALGARY

Counsellor Resource

fall 2023 admission cycle

DEAR COUNSELLOR,

We're looking forward to connecting with you again in the upcoming recruitment and admission cycle. For those of you coming back from summer holidays, we hope you had a relaxing and restful break.

We would like to thank you and acknowledge the important role you have in helping students evaluate their post-secondary options. To help make this job easier, this guide contains information about upcoming events, admission requirements, important dates, and additional ways we can connect and support you.

If you have any additional questions, or would like to request any resources or information, please feel free to connect with us.

Thank you,

Steven Kelly | Assistant Registrar, Student Recruitment and Applicant Relations

The University of Calgary acknowledges the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to the Métis Nation of Alberta, Region 3.

Start Something.

Success starts here. UCalgary is Canada's most entrepreneurial university.

Students will experience a premier education at one of the nation's top five research universities. Whichever of our 250+ program combinations they choose, we'll help them turn their next big idea into a reality.

Students can access many resources designed to spark innovation, including creative labs to develop their ideas, programs to help launch start-ups and mentorship from local entrepreneurs.

Specialized programs, like LaunchPad (above), fuel the inner entrepreneur.

Students can join **innovative projects**, such as the UCalgary solar car (below).

Creative spaces on campus include a virtual reality studio and a makerspace with 3-D printing.

Meet Gillian one of our student innovators

Gillian's chemical engineering courses **sparked an idea** for a better moisturizer acne solution.

As part of LaunchPad, a program that builds entrepreneurial skills, Gillian further **developed her idea**.

Gillian **launched bAlm**, a company that provides skin health education and products to help people be confident in their skin.

bAlm **finished first** in the 2021 Innovation Rodeo competition, receiving \$12,500.

Calgary, Alberta

This is the place to find **big opportunities.**

Most patents per capita in Canada

Most head offices per capita in Canada

Highest average personal income in Canada and no provincial sales tax

Canada's highest concentration of high-tech workers

UCalgary at a glance

- Founded in **1966**
- 28,000+** undergraduate students
- students from **142** countries
- 14** faculties
- Canada's **entrepreneurial** university
- Youngest **Top-5** research university in Canada
- 94%** after-graduation employment rate
- 95%** undergraduate retention rate

Our vibrant community

Calgary is Canada's youngest and third-most diverse city. Explore lively neighbourhoods, festivals like Beakerhead or the Calgary Folk Music Festival, and world-class attractions like the National Music Centre, Central Library or Calgary Tower.

A city of opportunity

Calgary is the innovation capital of Canada, a leader in many fields including aerospace, agribusiness, creative industries, energy, financial services, interactive digital media, and life sciences. Students can get started in a city famous for fresh ideas and new beginnings.

- 3rd most livable city in the world
- 6 major ski resorts within 3 hours
- Canada's sunniest major city
- 10,000+ hectares of green spaces
- 25 of Canada's top 100 restaurants

What's new?

Experiential Learning at UCalgary gets major boost

Our complex and changing world requires advanced skills in research, entrepreneurial thinking, collaboration and communication. We understand the importance of integrating hands-on experience with academic study so students are well-equipped to be leaders in industry, government and non-profit. UCalgary has launched a plan that incorporates experiential learning opportunities into students' degree programs. We're also pleased to share the new work-integrated learning (WIL) initiative for neurodiverse students with support from the Sinneave Family Foundation.

Introducing the Bachelor of Design in City Innovation

We offer the first undergraduate degree in Western Canada that combines design thinking with a focus on innovative change in the physical and social infrastructure of cities. The unique curriculum integrates studio based learning, real-world projects and courses that address climate change, sustainability, global citizenship, entrepreneurship and data science to prepare students to shape our future cities.

Schulich Indigenous Pathways Program (Engineering)

The Pathways Program is intended to encourage Indigenous Peoples who are interested in STEM (Science, Technology, Engineering and Math) to study at the Schulich School of Engineering. We will aim to foster an Indigenous-centred community in which students are provided with the requisite supports that promote their skill development, well-being, and success as engineering scholars.

SCHOOL OF ARCHITECTURE, PLANNING AND LANDSCAPE (SAPL)

We offer the first undergraduate degree in Western Canada that combines design thinking with a focus on innovative change in the physical and social infrastructure of cities. The unique curriculum integrates studio-based learning, real-world projects and courses that address climate change, sustainability, global citizenship, entrepreneurship and data science to prepare students to shape our future cities.

Bachelor of Design in City Innovation ★ NEW!

Design in City Innovation

Students tackle real-world problems by collaborating on industry-based, design studio projects.

FACULTY OF ARTS

Students will learn to critically address today's complex events and circumstances. They can take advantage of co-op placements in many programs or apply to join the the Arts and Science Honours Academy offering exclusive courses and a small cohort experience.

Bachelor of Arts

- Ancient and Medieval History ^{1,2}

HASKAYNE SCHOOL OF BUSINESS

At the Haskayne School of Business, we believe in purpose-driven business. Guided by the United Nations Sustainable Development Goals, students learn how to apply entrepreneurial ideas and risk management practices to impact sustainability and ethical leadership in businesses. Our BComm degree can be customized to suit a wide array of career pathways, with over 16 areas of teaching and extra-curriculars. We develop BOLD LEADERS who will change the world.

★ If a student doesn't know which concentration to choose, they can select the Business concentration to take a variety of courses. Students can remain as a Business generalist or switch to a more specific concentration in an upper year.

Bachelor of Commerce

- Accounting ^{1,2}
- Business ^{1,2}
- Business Analytics ^{1,2}
- Business Technology Management ^{1,2}
- Energy and Professional Land Management ^{1,2}
- Entrepreneurship and Innovation ^{1,2}
- Finance ^{1,2}
- International Business Strategy ^{1,2}

ucalgary.ca/future-students/undergraduate/explore-programs

The highly advanced CTEP Laboratory gives students the chance to contribute to research for the prevention and management of chronic diseases.

FACULTY OF KINESIOLOGY

By joining the #1 sport science school in North America, students have the advantage of being active while learning leadership skills in many sports – and study scientific topics including anatomy and biomechanics. They'll thrive in practicums with organizations like the UCalgary Dinos or Olympic teams that train at our Olympic Oval.

Bachelor of Kinesiology

- Kinesiology ²
- Leadership and Coaching ²
- Motor and Psychosocial Aspects of Movement ²

Bachelor of Science

- Biomechanics ²
- Exercise and Health Physiology ²
- Kinesiology ²
- Motor and Psychosocial Aspects of Movement ²

CUMMING SCHOOL OF MEDICINE

The Cumming School of Medicine is a leading medical school with seven research institutes and more than 2,500 students. Whether students want to pursue a career in health research to advance knowledge in areas such as cancer and infectious disease, or increase health outcomes in marginalized communities, our diverse program offerings will provide them with a solid foundation at the start of their career.

Bachelor of Community Rehabilitation

Community Rehabilitation

Bachelor of Health Sciences (honours only)

- Bioinformatics
- Biomedical Sciences
- Health and Society

Bachelor of Health Sciences students conduct research that could lead to improvements in the management of pre-term labour.

FACULTY OF NURSING

Our unique curriculum integrates theory courses with leading-edge nursing simulations and practicum placements that will prepare students for an exciting career. This student-focused nursing program is designed to take students anywhere they want to go.

Bachelor of Nursing

Nursing

FACULTY OF SCIENCE

Many of our programs feature field schools and summer research opportunities. Whether in a lab working on quantum information and computing, studying auroras on one of Canada's largest telescopes, or examining European green crabs at the Bamfield Marine Sciences Centre, students have endless opportunities to explore.

Bachelor of Science

- Actuarial Science ^{1,2}
- Astrophysics ^{1,2}

Helping your students become Dinosaurs

1

Encourage them to explore UCalgary

Learn about becoming a Dino

Students can join online or in-person tours and events throughout the year. They can check out our *Start Your Journey with UCalgary* webinar series or attend one of our national meet-and-greet events for prospective students.

ucalgary.ca/future-students/undergraduate/tours-and-events

Decide on a major

Students can choose from over 250+ program combinations.

ucalgary.ca/future-students/undergraduate/explore-programs

2

Check program requirements

Required courses

Each program has five courses required for admission. Students can see which courses are required for each program in the tables on the following pages.

How is your student's average calculated?

Admission average is calculated using the five required courses.

For high school students, an early admission average will be calculated with Grade 11 or junior-level required courses (or equivalent). If grade 12 or senior-level courses (or equivalent) are completed, they'll be used to calculate the average. This includes predicted results for students in a year-long curriculum.

3

Submit application

Apply early!

Applications open **Aug. 15, 2022** for international applicants and **Oct. 1, 2022** for Canadian applicants. Apply online and pay the \$125 application fee (\$145 for students with international credentials).

When students apply, be sure they rank their program choices with their most desired program as their first choice. If they receive an offer to their first choice program, this is the only offer they'll receive.

Students can apply or change program choice(s) until **March 1, 2023**.

Looking for more help? Encourage students to book a one-on-one appointment with their dedicated recruitment advisor today!

[CLICK HERE](#)

English language requirements

There are three ways to meet our English language entrance requirements:

1. High school studies

Three years of study in an ELP exempt country, or at an accredited high school (e.g., a Canadian high school) where English is the primary language of instruction. Final English courses must also be equivalent to Alberta's senior level (Grade 12) English.

2. English language test scores

Present the minimum required score from an accepted test:

Duolingo - **115** | IELTS - **6.5**

TOEFL (internet-based) - **86**

Nursing and education require higher scores.

Learn more online, including what other tests are accepted.

[CLICK HERE](#)

ucalgary.ca/pubs/calendar/current/a-11

3. Academic Communication Certificate (ACC)

If a student applies for undergraduate admission and completes the Academic Communication Certificate (ACC) by the end of summer term in the year of application, they could be considered for conditional admission to a degree program.

Learn more at: esl.ucalgary.ca/programs/academic-communication-certificate

Students studying a different curriculum can use our **admission requirements tool** to see the courses they need for their program of choice.

Natural Science and Environmental Science majors must meet the admitting average of their concentration.

Important notes

- Two courses in the same subject area may not be presented to satisfy entrance requirements unless the courses are Mathematics and Calculus.
- Only one senior-level course of the same language may be used to satisfy admission requirements.
- A maximum of one Fine Arts course may be used for admission

? Students studying a different curriculum can use our admission requirements tool to see the courses they need for their program of choice.

Additional pathways to admission

Indigenous students

There are dedicated admission pathways for Indigenous learners. To be considered for all pathways, students must self-identify as Indigenous as part of their initial application.

Our Indigenous Student Recruitment Team is here to support. Connect at: indigenous.recruiter@ualgary.ca

You can find lots of great additional information for Indigenous students on our website.

CLICK HERE

ualgary.ca/future-students/undergraduate/indigenous

Mature student admissions

Students will be considered for admission under our **adult student admission process** if they meet these criteria:

- 21 or older
- +
- Canadian citizen or permanent resident
- +
- Completed 12 or fewer post-secondary academic units (4 courses)

View the admission requirements under our adult student admission process.

CLICK HERE

ualgary.ca/future-students/undergraduate/requirements

Diverse qualifications

To be eligible, students must demonstrate:

- Excellence in non-academic areas
- or
- Perseverance under great difficulty or hardship

Canadian citizenship or permanent resident status

Learn about our diverse qualifications admission process.

CLICK HERE

ualgary.ca/future-students/undergraduate/diverse-qualifications

Transfer applicants

Students that have completed 12 or more post-secondary academic units will be considered for admission based on their post-secondary academic standing.

(Some programs may also require students to complete, or be in the process of completing, specific course requirements at the high school and/or post-secondary level.)

View the admission requirements under our transfer student admission process.

Tuition & fees

An education from one of Canada's top-five research universities is a valuable investment. UCalgary's tuition and fees compare favorably to other highly ranked universities.

Estimated costs for first year students

 Domestic tuition \$6,598 - \$8,646	or +	 International tuition \$24,408 - \$32,307	+	 General fees, books and supplies \$1,900 - \$2,400	+	 Residence and meal plan expenses \$7,996 - \$14,078
---	---------	--	---	---	---	--

Estimated costs are for an eight-month period (September to April) and are based on an expected first-year course load and a typical student's experience in residence. Fees are based on the 2022 - 2023 academic year. Tuition fees are reviewed regularly by the Board of Governors, in consultation with students. You can find all the most up-to-date tuition and fee amounts at: ucalgary.ca/pubs/calendar/current/p-1-1

Financial awards

\$20M+

Scholarships, bursaries and awards available annually

\$20,000 - \$100,000

Value of prestige awards

25%

Entering students who receive a scholarship, bursary or award

OUR STUDENT FEES PROVIDE GREAT BENEFITS.

Do you have a student that needs help planning their expenses? Try our online **cost estimator tool**.

ucalgary.ca/cost-estimator

★ Payment plan option

We want to make it as easy as possible for our students to pay their tuition and fees. That's why UCalgary students have the option to self-enrol in a payment plan that allows them to pay in installments over the term rather than all at once.

ucalgary.ca/registrar/finances/tuition-and-fees/payment-plan

Types of awards

	Automatic awards	High school entrance awards	Prestige awards
Value	\$2,000 - \$5,000	\$500 - \$10,000	Up to \$25,000
Application required	✗	✓	✓
Deadline	n/a	March 1, 2023	Dec. 1, 2022
Time to apply	n/a	15 minutes	Several hours (essay questions)
Example of specific awards	\$5,000 <i>President's Admission Scholarship</i> for students with an admission average of 95% or higher	\$10,000 <i>CIBC International Entrance Scholarship</i> for an international student who demonstrates strong academic excellence	\$20,000 <i>University of Calgary International Entrance Scholarship</i> , renewable for four years

WHEN AND HOW TO APPLY

Students can apply for awards as soon as they've submitted their application for admission. Students don't need to wait to be accepted to apply.

View the step-by-step instructions on our awards web page.
